

I saw heaven opened

I saw heaven opened
And beheld a white horse appear
My God came riding upon it
Faithful and True

Hallelujah Hallelujah Hallelujah Hallelujah

He makes war in righteousness
He Himself is Righteousness
His eyes are flames of fire
Upon His head many crowns

Hallelujah Hallelujah Hallelujah Hallelujah

My Jesus has a name written there
His name is the Word of God
King of kings and Lord of lords
Jesus the Almighty

Hallelujah Hallelujah Hallelujah Hallelujah

From God's mouth proceeds a sharp sword
That shattered Satan's power
The kings of this earth
My God has overcome

Hallelujah Hallelujah Hallelujah Hallelujah
